

OAHS Swim and Dive Boosters
Meeting Minutes
January 17, 2018

November's minutes were approved

Thank you to Bill Culleton, Lisa Abramson, Danielle D'Amato, Meghan Ganshirt and Cathleen O'Hara for all of their hard work on fundraising. To date, we have net income from fundraising of approximately \$7000.

Senior night 1/10 – Thank you to Melissa Pennellatore, Kati Kelley and Cathleen O'Hara for making Senior night a great night for the athletes.

Banquet is 3/6. Kati Kelley volunteered to send invitation to athletes and parents and track responses. Julie Chiereghio volunteered to update and print the program and work on the AV for the video.

We spent a lot of time discussing open roles and Board positions for next year. Since no one submitted their "letter of interest" in a board position prior to the meeting, we were able to finalize next year's Board with people who volunteered tonight. The new Board for 18-19 season will be:

- Cathleen O'Hara - president
- Rachel and Thane Turner - vice-presidents
- Mark Streton - treasurer
- Danielle D'Amato - secretary

In addition, Rachel Turner and Meghan Ganshirt have agreed to be scorers for 18-19 season and will train with Lisa and Michelle at the home meet 1/29. Gina Hudson and Susan Smith will be the banquet coordinators in 2019.

Coach Gray and Coach Palmer discussed the upcoming meets and Hocks and the need to make sure your athletes are well rested, fed, hydrated. They also acknowledged that there are meets during midterms, including night meets, and the team really needs every swimmer to swim so helping the athletes manage it all is important.

Hocks 2/2 for boys swim and diving - bus leaves at 2:10pm (pending approval by OA), meet starts at 4pm, spectators need to get to pool at 3pm to get seat. Girls are not allowed to go watch.

Hocks 2/3 for girls – bus leaves at 7am, meet starts at 9am, spectators need to get to pool at 8am to get seat. Boys are not allowed to go watch.

If your athlete needs USA Observation at Hocks, please talk to Coach Gray.

Next Booster meeting

February 7, 2018, 7pm, AD Conference Room
