For divisional alignments refer to the MIAA website at [www.miaa.net](http://www.miaa.net)

## B. QUALIFYING CRITERIA - TEAM MEMBERS

1. Individuals must be bona-fide members of their high school swim team as recognized by the MIAA and must achieve qualifying standards as published in this format.
2. Qualifying times must be obtained from swimming in a bona fide MIAA High School Swim Meet officiated by certified swimming officials.
3. Relay teams must have met the listed qualifying time in the Swim Format during the regular season. **Relay times must be achieved by all members of the same gender to qualify for the appropriate post season championship meet.** *Teams can only enter one relay team at the sectional and state tournaments.*
4. The coach or official school representative must be able to verify the swimmer or diver's time or standard at the meet.
  - a. Any times that do not meet minimum qualifying times will be challenged by the meet director.
  - b. Other times can be challenged throughout the meet.
  - c. Any swimmer or diver found not to have met submitted standards shall be disqualified from the event in question.
5. Divers
  - a. A diver *during the regular season must have scored 4 points from each judge on each dive* in order to qualify it for tournament entry. Coaches must be able to verify this with dual meet diving sheets.
  - b. The dive as qualified in season will be the only dive accepted (i.e., 1 ½ tuck ≠ 1 ½ pike).
  - c. *No diver may perform a dive in the Sectional or State tournament that has not been performed and qualified during the regular season*
  - d. An official diving form must be submitted for each diver and sent with the official entry form by the deadline. Divers will be allowed to change dives up to 1 hour before the start of each session containing diving.
  - e. ***At the sectional meets divers will be seeded by lot. At the state meets, divers will be seeded according to their best 11 dive performance for the fall season. Divers without an 11 dive score will be seeded by lot at the beginning of the diving order. (NFHS 9-2-2)***
6. A violation of qualifying criteria may involve a hearing before the swim committee.
